#	MLA citation	Thesis/Main Point of Article	Does the article prove its argument? How?	How does this content help you make your argument with your paper?	Finding “quotes.” Include MLA parenthetical citation
1	Walsh, Colleen. "Harvard Scholars Reflect on the History and Legacy of the Stonewall Riots." <i>Harvard Gazette</i> , The Harvard Gazette, July 1, 2019.	The article talks about the history of the Stonewall Riots and what happened after.	Yes, because it shows how change was brought by stating what came after the rioting..	It helps me because the point of my essay is to prove how change was brought and it explains it.	“The marches also became vehicles for political expression as well, which you could see by the signs that people held up, which made the marches political moments as well as scenes of gay pride.(Walsh Par 15)

2	<p>Quijano, Elaine, and Kim Kennedy.</p> <p>"Remembering the Stonewall Riot and the Start of a Movement." <i>CBS News, June 28</i> (2015).</p>	<p>Talk about how the event happened.</p>	<p>It does because it talks about how the event itself and uses evidence from books that were people who were part of the actual riots.</p>	<p>It helps because before I can say how change was brought, I need to mention the history.</p>	<p>"They were immediately like, 'Get your hands off me. I have right to be here,'" said David Carter, who captured the Stonewall riots in his 2004 book. "This was essentially America's gay neighborhood. It was essentially a gay ghetto. (Quijano par 15)</p>
3	<p>Matzner, Andrew. "Stonewall Riots." <i>GLBTQ Archive</i>(2015).</p>	<p>It talks about the before present and after the rioting.</p>	<p>Yes it effectively showed the before present and after of the Stonewall riots.</p>	<p>It helps me gain insight on what actually happened and provides what happened later.</p>	<p>"This has led to controversy , as various segments of the glbtq community (for example, drag queens, butch lesbians, white gay men) have claimed responsibility for instigating what is also known as "The hairpin drop heard round the world." (Matzner par 21)</p>

4	<p>Kuhn, Betsy. <i>Gay Power! The Stonewall Riots and the Gay Rights Movement, 1969</i>. Twenty-First Century Books, 2011.</p>	<p>This book focuses on the riots and how it happened and what happened after.</p>	<p>Yes, because through this book I was able to learn more about the history and helped me prove that my other sources were reliable being that they had similar information proving its argument.</p>	<p>It helps because it gave me more information about the riot I didn't know.</p>	<p>"Gays and lesbians "have been here since the beginning of history of people," writes Larry Kramer, a leading gay activist. (Kuhn 7)</p>
5	<p>Geoghagan, Tom. "A Riot That Changed Millions of Lives." <i>BBC News</i>, BBC, June 17, 2019.</p>	<p>This article talks about the history but also talks about the things that came after the riots.</p>	<p>Yes it does because the author uses quote from people he had to further describe is claim.</p>	<p>It helps because it shows me more of how gay rights are now a days.</p>	<p>"In 1960s America, gays and lesbians were effectively outlaws, living in secrecy and fear. They were labelled insane by doctors, immoral by religious leaders, unemployable by the government, predatory by TV broadcasts and criminal by police." (Geoghagan 9)</p>
